

RIO Mark II Racing Sulky

The choice of the champions!

Luke McCarthy

Australian & New Zealand - they all agree - it's RIO MARK II

LUKE MCCARTHY

"The Rio Mark II gives you a good, safe, comfortable ride."

DARREN HANCOCK

"It's great value-for-money, well-balanced and comfortable."

ANDREW DE CAMPO

"The Rio Mark II tracks so well around the turns that it encourages horses to stay better-balanced."

DANIEL JACK

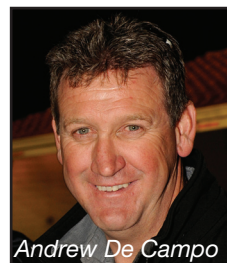

"Why pay thousands of dollars more for sulkies which are no better? I'm rapt in mine!"

MATHEW NEILSON

"I have a lot of freelance drives, and drive in plenty of sulkies. But the sulky I use for my stable runners is the Rio Mark II racing sulky - it's the best!"

CRAN DALGETY

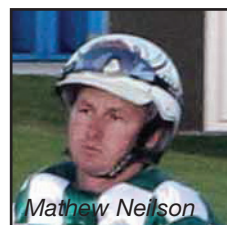

"The Rio Mark II is structurally-sound, and well-made. It's superbly-balanced - you can feel the difference on the turns. It'll do me!"

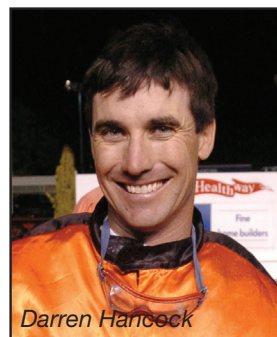

Andrew De Campo

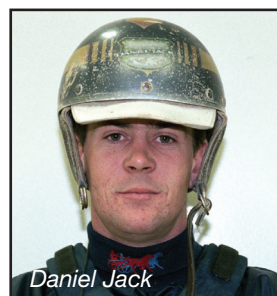

Cran Dalgety

Mathew Neilson

Darren Hancock

Has The Answers, the first Western Australian-based horse to win \$1million, races in a RIO Mark II racing sulky.

Champion Perth-based reinsman Morgan Woodley (left) echoes the thoughts of many other drivers when he says this about the Rio Mark II racing sulky: "It gives you a good, comfortable ride, and I like the way it helps you get horses out of the gate. The Rio Mark II tracks well, corners great and is the right weight."

Million dollar pacers use million dollar sulkies!
